EXPLORE WITH SAM (2026)

- Understand how the artist thinks, be creative and observe nature.
- Learning objectives:

Thought process to artwork creation, experimentation and discovery of the world around them.

SAM and SSDB partnership

- Eshkol Valley Preschool @ PPCC created an exhibition to celebrate SG60.
- Visited SAM and were inspired by the artworks related to Singapore.
- QR codes were displayed at the exhibition to fundraise for REACH 2025 E-flag day: Walk with Me.
