

What's in your grocery basket? 1/2

- STEP 1** Colour the grocery basket and local produce
- STEP 2** Tear the coloured pieces along the dotted lines
- STEP 3** Assemble and paste the local produce pieces behind the area labeled ① using double-sided sticky tape/glue
- STEP 4** Stick the back of the basket handles using double-sided sticky tape/glue
- STEP 5** Tear off the red SG Fresh Produce (SGFP) logo tag and hook it to your grocery basket

Fresh produce such as eggs, fish and vegetables are fresher as they travel a shorter distance from our local farms to reach us.

Golden Pomfret

STEP 1 Tear off the different parts of the fish craft template along the dotted lines.

STEP 2 Use double-sided sticky tape to attach the fins and eye to the fish body. (Refer to the photo on the top left hand corner).

STEP 3 Tear off the red SG Fresh Produce (SGFP) logo tag and hook it to your Golden Pomfret.

Singapore produces about 8%* of the fishes we consume.

By choosing to buy locally farmed fishes, you are supporting local farmers & helping to ensure a continuous supply of fresh food for Singapore.

Egg

STEP

1

Tear off the different pieces of the egg craft template along the dotted lines.

STEP

2

Glue or stick the 10 eggs with double-sided tape onto the Bottom Tray.

STEP

3

Glue or stick the flap of the Top Tray to the Bottom Tray (Refer to photo on the top left corner).

Our local egg farms are required to have good farm management practices to prevent the risk of *Salmonella* (bacteria) contamination that makes us sick.

Nai Bai

STEP

1

Tear off the different parts of the vegetable craft template along the dotted lines.

STEP

2

Glue or use double-sided sticky tape to attach the leaves to the base.

STEP

3

Tear off the red SG Fresh Produce (SGFP) logo tag and hook it to your nai bai.

Vegetables are a great source of nutrients for our daily diet.

Locally farmed vegetables take a shorter time and distance to get to consumers. This means they arrive fresher and retain more nutrients.
